

Smt. Dhanalakshmi Devi

Smt. Dhanalakshmi Devi was a talented, dynamic, and progressive lady. She got married at an early age. After having 5 children she completed her Matriculation & Pre-University and went on to graduate in History & Economics. She could speak, read, and write in Kannada, Telugu, English, Hindi, and Tamil.

She pursued home crafts too and took pleasure in stitching frocks & dresses for her children. She firmly believed that daughters too should be professionally qualified and have careers and took every step to ensure this.

She was the glue that held the family together and carried the family on her shoulders.
